Events

FOS

Sugar Creek District is moving into full gear to schedule presentations for our families to hear about our annual fundraising campaign. These short talks give each family the opportunity to hear about the role of the Crossroads of America Council in Scouting and the chance to support the council financially so that it can continue to provide training, support services, camping facilities, council programming, and other resources vital to support our local unit leaders as they give the best Scouting experience possible to the youth in their charge. County Family FOS Chairs Jenny Plummer, Natalia Agudelo and Robyn Edwards will be in touch with unit leaders soon to schedule your Family Friends of Scouting presentations.

Popcorn

It's also not too early to be thinking about...POPCORN!!! Now is the time to identify your unit's popcorn kernel and to start planning blitz events and unit incentives. You'll be hearing from our district popcorn volunteers, headed by District Kernel Russ Van Atter, during the coming weeks to get popcorn commitments, kernel names and contact information so that your unit can have the latest, most up to date information about the fall sale. Many thanks to those who have already given that information to Russ or to me at our May roundtable! If you need program planning and budgeting training to help you figure out how to meet your program's needs through popcorn fundraising, just let us know and we'll be happy to work with you one-on-one! You can also contact Russ at sugarcreekpopcorn@gmail.com to update your unit kernel's contact information.

Troop 350 welcomes new Eagle Scouts, Morgan Dillon and Cole Thompson

Training

Sugar Creek District is making it a priority to get its leaders basic trained, and we have trainers ready to help make it happen on an "On-Demand" schedule. Our district training team will be reaching out to Committee Chairs, Cubmasters, and Scoutmasters to arrange dates and times to come train members of your leadership teams that are not basic-trained. If you have any questions about what trainings you or your unit's leaders still need, or if you would like to schedule a training to take place during one of your unit's leader meetings, please feel free to call David Hovde (765-427-1087) in Clinton County, Steve Taylor (765-676-6666) in Boone County, or Will Turner (765-267-0948) in Montgomery County.

Membership

Spring recruitment is also getting ready to roll out. If your Cub Scout

pack has an active summer program and you would like to bring new members on board this spring so that they can have additional months of fun with your unit, let us know what date you would like to hold your recruitment, and we will assist you with boy talks, flyers, and other promotion. Clinton County units can contact Bryan McCarty at inspectorbryan@gmail.com, Montgomery County units can contact Charlotte Daron at biyzimom@yahoo.com, and Boone County units can contact Donna Curry at d.curry1@comcast.net.

Camping

Is everyone ready for summer camp? Early bird registration is complete, but it's not too late to sign up for camp if you haven't done so yet. Our Rotary Day Camp will be held July 9-13 at Camp Rotary in Crawfordsville, and there's plenty of room for all to enjoy! Please contact Mike McKeown (Camping and Outdoor Activity chair) at (765) 376-2960, Scott Richardson (District Day Camp Director) at (765) 364-8971, or Beth Downey (Program Director) at (765) 366-6340 with any questions!

Webelos to Boy Scout Transition

by Richard Vogler

SCOUTING FOR FOOD

By Chuck Prass

The Sugar Creek Annual Scouting For Food is off and running, and has so far compiled nearly 4700 reported items as of the end of March. A record 30 units will be involved in this year's efforts. The food pickups will continue through April 20. Our goal this year is in the 16,000 to 18,000 range, but it would be grand to top the 20,000 mark as we did in 2009. Remember to check in with the Activities Director with your totals, volunteers, and hours when complete. Let's have another successful Scouting For Food drive this year, and show our Scouting Principles through service to our communities in this effort.

The Scout Fair will be on April 27th

The Scout Fair a fun exciting event will be 9am to 1pm at the Boone County Fairgrounds. The event includes, BB Guns, Sling Shots, a Monkey Bridge (schedule permitting), Amateur Radio station, class for the Merit Badge Fingerprinting, Cub/Scout mobiles, District Pinewood Derby, plus several make it and take it activities.

We will also have a large tow truck, drag race car, and potential SWAT vehicle on static display.

If you have questions or would like to volunteer to help see Joe Leising.

The passage from Cub Scout pack to Boy Scout troop should be smooth, with no time lost in between. By the time Webelos Scouts are ready to cross over, they and their families should be familiar and comfortable with the youth and adult leaders of the troop, their role in the troop and troop activities, and feel excited about beginning this new adventure. The Webelos Scout's graduation ceremony should clearly signify his transition to a new level of Scouting, and could include the presentation of his Arrow of Light Award, a *Boy Scout Handbook*, and or a troop neckerchief with loops.

The key factor to improved Webelos transition is the ongoing working relationship of the leaders of a Cub Scout pack and a Boy Scout troop. Ideally both the pack and the troop leaders are working together to help move Webelos Scouts into a Boy Scout troop. There are a number of ways a pack and troop can work together to enhance the Scouting experience. The Scout Fair a fun exciting event will at the Boone County Fairgrounds from 9am to 1pm. Include, BB Guns, Sling Shots, a Monkey Bridge (schedule permitting), Amateur Radio station, class for the Merit Badge Fingerprinting, Cub/Scout mobiles, District Pinewood Derby, plus several make it and take it activities.

We will also have a large tow truck, drag race car, and potential SWAT vehicle on static display.

If you have questions or would like to volunteer to help see Joe Leising. of their boys. To help assure maximum transition requires cooperation between pack leaders, troop leaders, the unit commissioner and the parents.

Cub Scout Leaders:

Please confirm with your District Webelos Transition Chair that you have a 2nd year Webelos to Scout Transition Plan and that a visit with a Boy Scout program has been completed or arranged. If you do not have a plan, it is not too late. Please help keep scouting active and contact your District Webelos Transition Chair.

Boy Scout Leaders:

When contacted by a Cub Scout program please be sure to **"Be Prepared"** for the visit. Having a well planned and exciting event (meeting or outing) is an important aspect of attracting potential Webelos Scouts and parents. If you need support or would like some ideas feel free to contact your District Webelos Transition Chair. Our objective is to crossover 100% of Webelos into Boy Scouting. If you need assistance with this process or have any questions please feel free to contact us anytime:
