Some specific information:

Each Cub Scout should be accompanied by an adult, a relative, age 18 or older. This is a time for you and your Cub Scout to spend quality time together.

Trophies will be given for the **Longest catfish** caught, **Longest bluegill** caught, and the **longest "other caught"**, and for the **most fish caught**. **Ribbons** will be given for each rank level for the **longest fish caught** and for the **most fish caught**. An overall Trophy will go to the Pack with the most Cub Scouts **There** that day, participating in the event.

Please bring your own equipment, bait, lawn chairs, **BUCKETS**, refreshments and dress for the weather. There will be food at the event, hot dogs, snack items and drinks to purchase. This is a catch and release fishing derby, ***we have been asked to cut the barb off the hooks we use,***
Please do this at home, but we will have a wire cutter at the event.

Some simple rules for the day: Team fishing: every Scout must have one adult, one + one in the past we have had many additional Lines in the water. If the rest of the family wants to come and fish, their catch **WILL NOT COUNT** towards team score. Everyone in the family can fish, just the teams catch counts. **Registration starts at noon** at the Cub Scout Tables under the shelterhouse. A team must be registered to fish, you may **not fish until Derby begins.** So, if you just want to get your worm wet that is ok, you can put it in your mouth. But please keep it out of the mouths of all the fish.

Parking is in designated area only, We have only the space provided.

No Boats, No Radar, No Sonar, No Dynamite, No Netting, No Chumming the waters. No kidding?

A pole per person, a line, a sinker, a bobber, a hook, some bait, a Scout, his Akela.

Get real, do we really have to have all these rules?

At registration we will have separate lines for each rank, if you are coming as a Pack, If you could have a list of the Scouts and adult partners, with their money to turn in. This will get you fishing that much faster.

Each adult is responsible for the safety and conduct of their team mate.

We will have a first aid box for any accidents, Please be Careful out there.

But, misconduct will be dealt with by asking the team to leave, we are Scouts and should do our best.

We will be doing catch and release at this event, all hooks used should have their barbs removed. Your team (one Scout + one Adult) is asked to catch as many fish as possible, but for the fish to be logged onto the tally sheet it must be brought to the weigh-in table at the Shelter House, we will have buckets to help keep the fish alive. When it is brought in, we will measure it, log it into the tally book under your teams number, then release it back into the pond.

This year we are awarding trophies and ribbons as described.

And of course, ALL decisions of ALL the judges are final, blah-blah-blah.....

The awards ceremony will take place right after the derby at 4pm. If a Cub Scout has earned an award and had to leave before the ceremony, a Den leader or Pack leader can pick up the award for the Scout and take it to them.

The over-all trophy will be awarded to the Pack with the most Scouts there, participating in the event.

And lastly, this is an event put on for the Scouts, to have time with an adult they love, to spend time together, to share, learn, and experience the great out-of-doors and to have fun together. Let's all work together to make this happen. This is not a win at all cost event, we are scouts, doing our best is good enough. You are a winner by spending this time together.

Attention Scout Leaders and Scouts:

If you or your Boy Scouts are free this weekend & would like to volunteer to help at the event, we will welcome any help. This will qualify as Community Service time and your help will be greatly appreciated.

If you are coming with your Cub Scout we want you to have an experience that you will both remember for the rest of your lives.

Remember, it's not a trophy, but the experience he shares with you,
That your Scout will remember for the rest of his life.

And most importantly, this is a Cub Scout event. **Have Fun!** Anyone caught not having fun will be asked to leave!

On September 13, 2014 (**our rain date is Sept. 20, same place and time**).

Any questions about the event, **please come to Roundtable** or send me an e-mail
